

The Liberty Bell

A student in the MTR 3's class builds some fine motor muscles while using scissors to cut spaghetti!

SO THANKFUL FOR ALL OF YOU!

As we approach the Thanksgiving holiday, I want to take a moment to express our gratitude for each and every one of your children and for the wonderful community we have here at LEEC. Thanksgiving is a time for reflection and coming together, and we are so thankful to be a part of your child's early education journey. This holiday is an excellent opportunity to teach our young learners about the values of gratitude, sharing, and togetherness. We have some exciting plans in store to celebrate this special occasion, including crafts, activities, and lessons that will help our preschoolers begin to understand what this season is all about. Note our preschool will be closed for the Thanksgiving Holiday from November 22nd-24th. We will hold conferences on November 20th & 21st so look for the sign-up sheet from your classroom teachers.

Preschool Director

A Little Bit About MRS. LANGAN

This is Mrs. Langan's 9th year at LEEC. Her favorite subjects to teach are reading and science. She loves to watch the little minds at work!

Mrs. Langan lives with her husband (of 21 years) and her son, daughter and cavapoo.

Favorite Snack:
anything sweet!

Favorite Color:
pink

Favorite Animal:
gorilla

If you could travel anywhere in the world, where would you go?

Italy

What's your favorite pastime?

reading, hiking & baking

Liberty township fire department visit.

There has been an update to our school calendar. We will be closed on Wednesday, December 20th. Our last day of school before the Holiday Break is Tuesday, December 19th and our day will end at 11:30 am.

There will be no Enrichment, no Lunch Bunch and no afternoon classes on Tuesday, December 19th. Please mark your calendars.

FIREFIGHTERS VISIT OUR SCHOOL

Every fall we invite the firefighters from Liberty Township to come visit the kids. These visits are not only fun for children but also play a vital role in educating them about fire safety and the important work our local heroes do to keep our community safe. Students got to observe as one firefighter got dressed with his equipment on and then they got to see inside a fire truck and/or ambulance. The firefighters made certain to teach the kids how to call 9-1-1 and reminded them that there may be a password on mom and dad's phones that they would need to key in BEFORE dialing 9-1-1.

Colder Temps Mean Warm Weather Clothing

Be sure to change out the spare clothing in your child's school bag (for accidents). Also we will continue to go outdoors for exercise for about 15 minutes each day. If you send in a coat with your student we will require them to wear them outside.

What's Coming Up?

- 11/7 NO SCHOOL - Voting Day
