

LIBERTY'S ROCKET REPORT

OCTOBER 2024

Our Journey Through the Astral Adventures of Preschool at Liberty Barn Preschool

A NOTE FROM OUR COMMANDER

As we move into the second month of the school year, we want to take a moment to thank you for your continued support and collaboration. We are seeing the children settling into their routines, forming friendships, and growing in independence each day.

Now that the initial transition period is behind us, we encourage you to continue fostering your child's independence at home by allowing them to practice skills like dressing themselves, putting away their belongings, and taking on small responsibilities. These skills translate into greater confidence in the classroom and contribute to their overall development.

We would also like to remind you of the importance of ongoing communication. If you have any concerns or questions about your child's progress or adjustment, please don't hesitate to reach out to us. We are here to work with you and ensure your child is thriving in all aspects of their school experience.

Thank you again for entrusting us with your child's early education. We look forward to a successful and rewarding year ahead!

Tracy Gascon

IN OCTOBER

- 1/2 FIELD TRIP TO LEEDS FARM
- 10/11 PICTURE DAYS
- 18 NO SCHOOL
- 29/30 HALLOWEEN PARADES

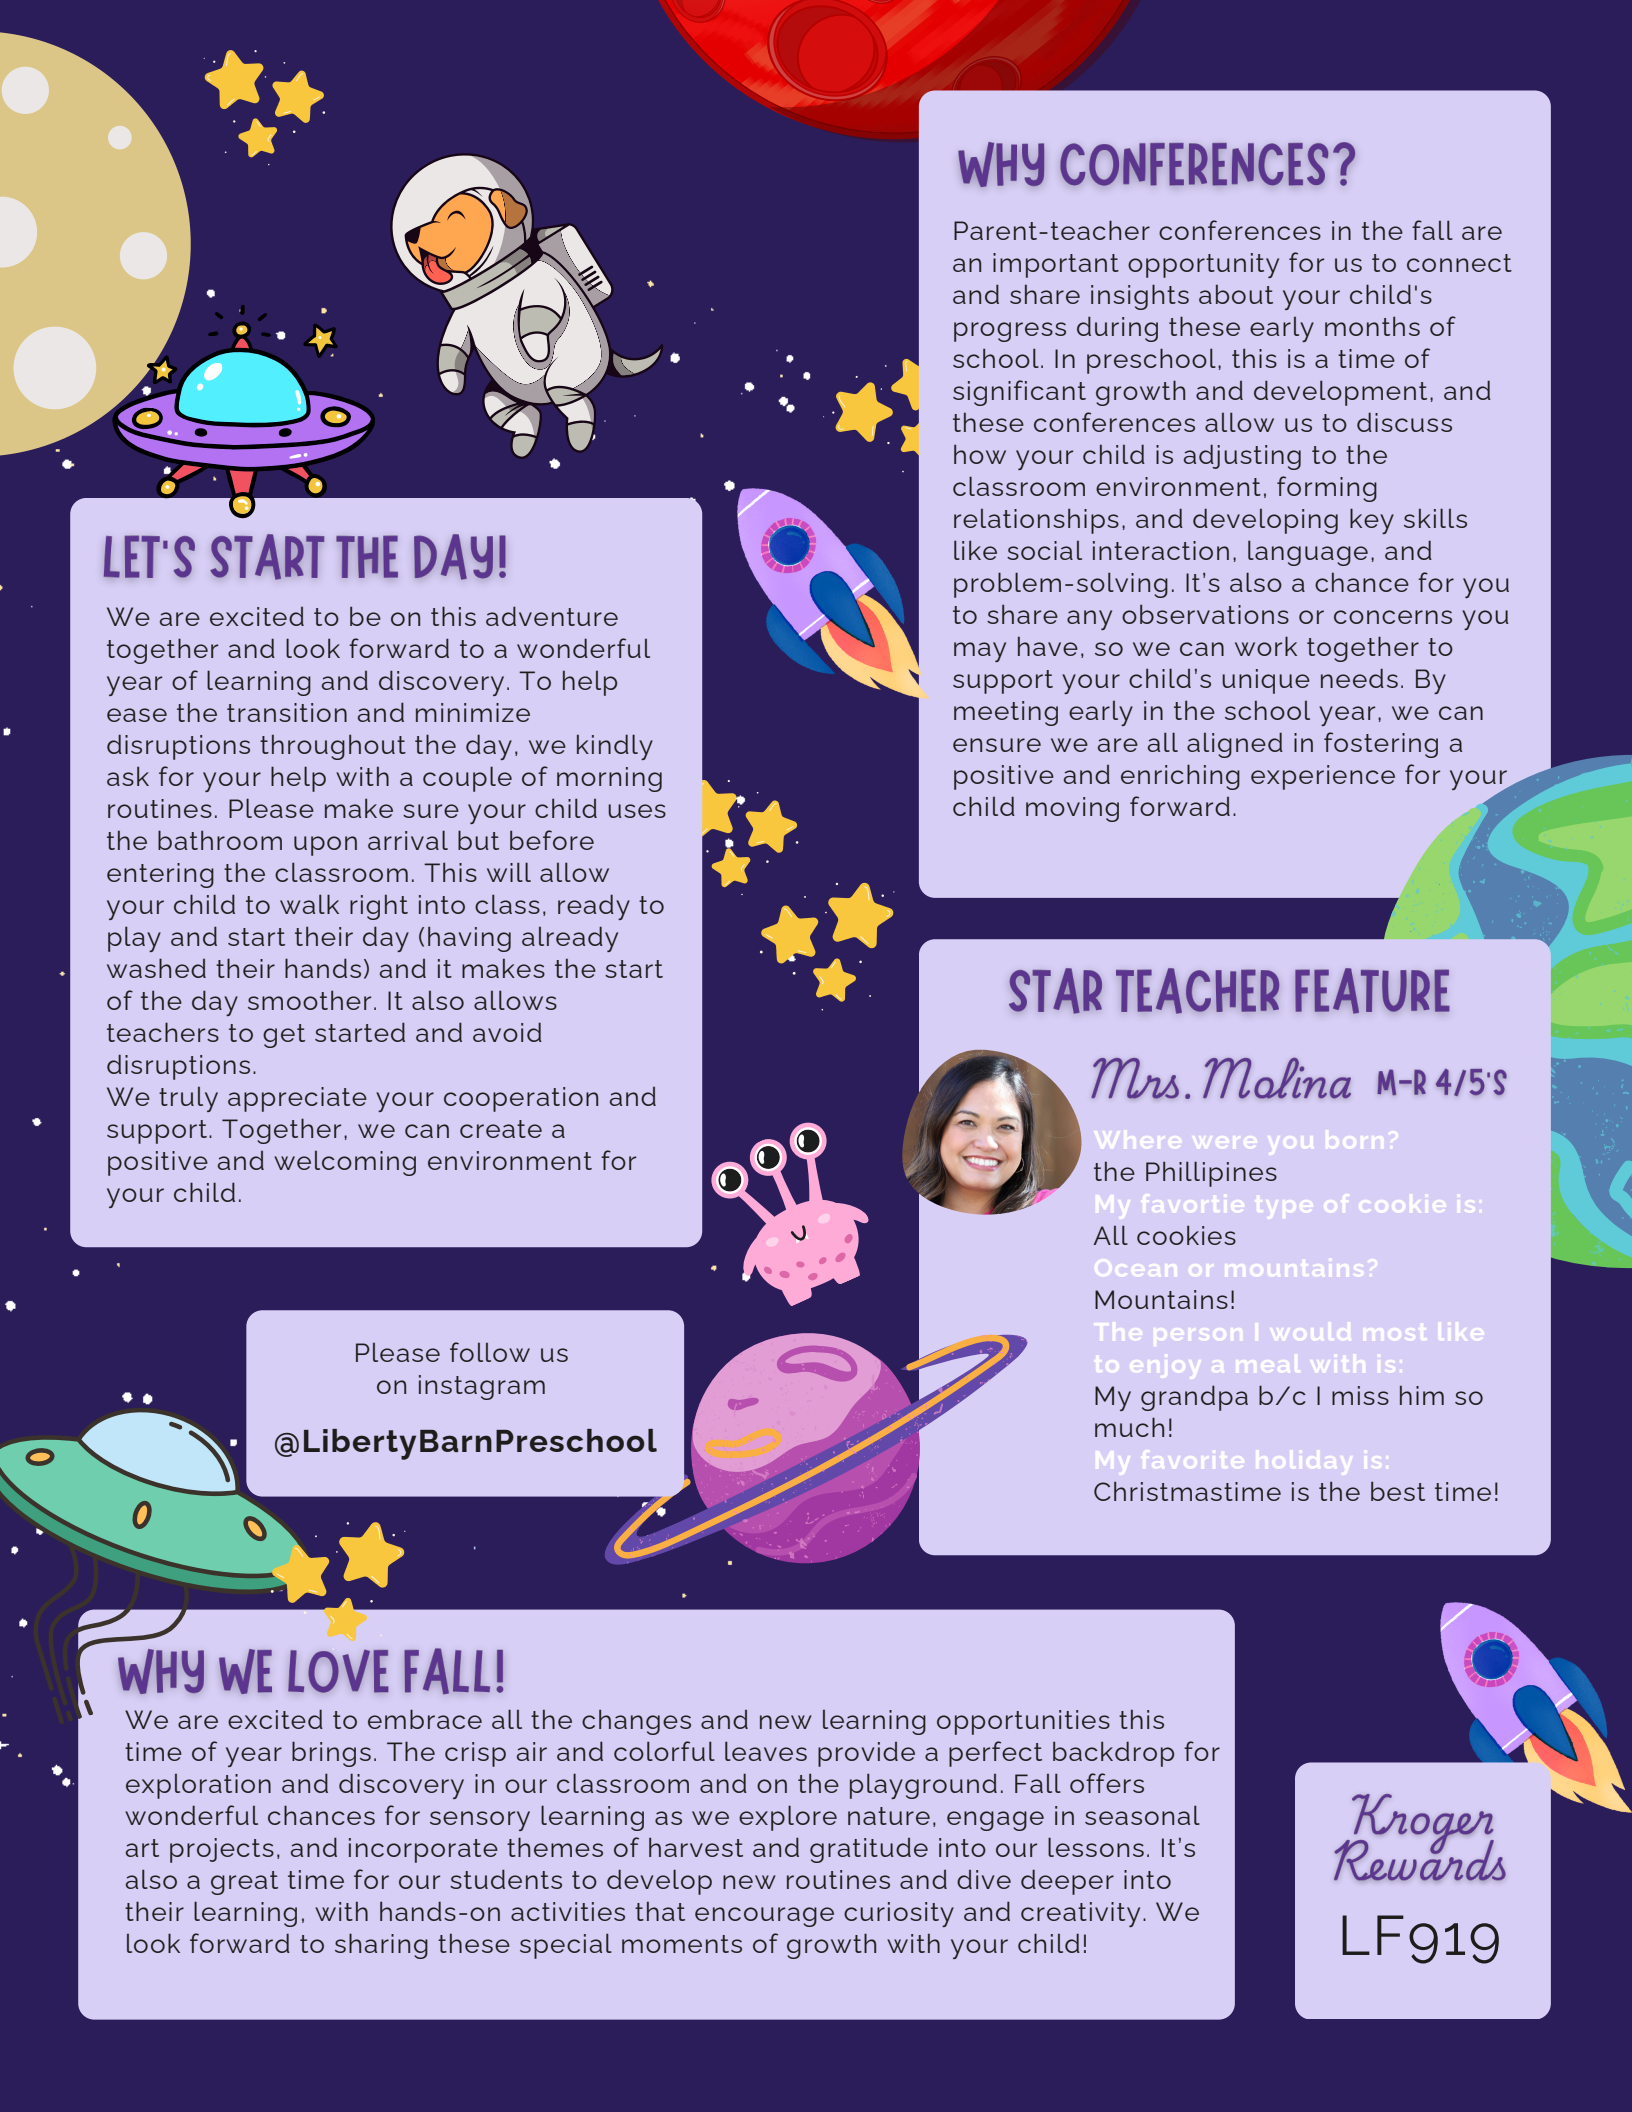

IN NOVEMBER

- 5 NO SCHOOL

PRESCHOOL

WHY CONFERENCES?

Parent-teacher conferences in the fall are an important opportunity for us to connect and share insights about your child's progress during these early months of school. In preschool, this is a time of significant growth and development, and these conferences allow us to discuss how your child is adjusting to the classroom environment, forming relationships, and developing key skills like social interaction, language, and problem-solving. It's also a chance for you to share any observations or concerns you may have, so we can work together to support your child's unique needs. By meeting early in the school year, we can ensure we are all aligned in fostering a positive and enriching experience for your child moving forward.

LET'S START THE DAY!

We are excited to be on this adventure together and look forward to a wonderful year of learning and discovery. To help ease the transition and minimize disruptions throughout the day, we kindly ask for your help with a couple of morning routines. Please make sure your child uses the bathroom upon arrival but before entering the classroom. This will allow your child to walk right into class, ready to play and start their day (having already washed their hands) and it makes the start of the day smoother. It also allows teachers to get started and avoid disruptions. We truly appreciate your cooperation and support. Together, we can create a positive and welcoming environment for your child.

Where were you born?
the Phillipines

My favortie type of cookie is:
All cookies

Ocean or mountains?
Mountains!

The person I would most like
to enjoy a meal with is:
My grandpa b/c I miss him so
much!

My favorite holiday is:
Christmastime is the best time!

WHY WE LOVE FALL!

We are excited to embrace all the changes and new learning opportunities this time of year brings. The crisp air and colorful leaves provide a perfect backdrop for exploration and discovery in our classroom and on the playground. Fall offers wonderful chances for sensory learning as we explore nature, engage in seasonal art projects, and incorporate themes of harvest and gratitude into our lessons. It's also a great time for our students to develop new routines and dive deeper into their learning, with hands-on activities that encourage curiosity and creativity. We look forward to sharing these special moments of growth with your child!
